

# HVMS Chromebook User Agreement

## Expectations for General Usage of Chromebook:

- Students will follow the Jordan School District [Student Information Network Acceptable Use Policy-AA445](#)
- Use of the Chromebook is for academic purposes only. Students will use their Chromebooks at school and at home to complete academic tasks and further their education.
- No food or drink (including gum) is permitted while using the Chromebook.
- Students will not use the Chromebook webcam to photograph any other student, teacher, or person unless for academic purposes, and only with the other person's consent.
- Students will not use the Chromebook microphone to record any other student, teacher, or person unless for academic purposes, and only with the other person's consent.
- Students are not permitted to download any content onto the Chromebook, other than class assignments, without permission from the school.
- Sound should be muted while using the Chromebook during school hours unless given alternative directions from the teacher.
- You may not stream any music (Pandora, Spotify etc.) or play any games on the Chromebook.
- Students must keep their passwords and usernames secure and they should not be shared. ● Students are to only use their assigned Chromebook.
- Students are not permitted to take home or checkout a Chromebook until this agreement has been signed and returned.
- Inappropriate use of the Chromebooks will result in disciplinary action, including, but not limited to, HVMS taking back the device.

## Expectations for Storage & Safety

- Chromebooks are student responsibility once checked out to them.
- Chromebooks may be taken home.
- Chromebooks may be kept at school secured in the student's locker overnight.
- Chromebooks need to be fully charged by the student so they can be used daily.

## Loss or Damage of Chromebook

- Students will immediately report any malfunctions or damage of the Chromebook to a classroom teacher or administrative staff member at school.
- The parent/student will be responsible for the repair/replacement cost of any damage to the Chromebook. (please contact Ms. Gambrino for repair estimates)
- The parent/student will be responsible for the replacement cost of any lost Chromebook.

## Opt Out Options

1. Parents/Guardians may buy their student their own Chromebook
  - a. If a parent chooses to buy their student his/her own Chromebook that device will only be allowed to access the internet via JSD Guest.
2. Refusal of Chromebook Checkout
  - a. Should a parent/guardian refuse the option of having their student check out a Chromebook; the student will use the Chromebook that is available in each classroom, but not allowed to take a device home.

**Students and guardians/parents agree that violation of the Chromebook Use Agreement or the district's Acceptable Use Policy will result in disciplinary action, the revoking of Chromebook and network privileges, and the replacement of the damaged device (if applicable).**
